

PSA FRAMEWORK

Step 1: Look for Core Intent (Action vs. Information vs. Record)

1. Does the text tell the public to take an action, avoid something, or be alert?
 - Yes → **Public Service Announcement (PSA)**
 - No → Go to Step 2.
2. Does the text describe a government action, event, launch, or decision meant for media coverage?
 - Yes → **Press Release**
 - No → Go to Step 3.
3. Does the text formalize appointments, tenders, laws, or official notices?
 - Yes → **Other Government Communication (Legal/Administrative)**

Step 2: Check for Style & Tone

- **PSA** → Direct, instructive, urgent, short.
 - Keywords: *advise, urge, warn, remind, all Kenyans are requested, public is hereby informed, deadline, alert.*
- **Press Release** → Narrative, formal, includes quotes or background.
 - Keywords: *launched, inaugurated, announced, statement by the Cabinet Secretary, official visit, media invited.*
- **Other Communication** → Legalistic, structured, sometimes tabular.
 - Keywords: *It is notified for the general information, pursuant to, in exercise of the powers, Gazette Notice, tender No.*

Step 3: Identify Audience

- **PSA** → General public or specific citizen groups (drivers, farmers, voters, parents).
- **Press Release** → Media & public opinion shapers.
- **Other Communication** → Lawmakers, businesses, stakeholders, legal practitioners.

Step 4: Identify Distribution Channel

- **PSA** → Radio, TV, SMS, posters, social media hashtags, barazas.
- **Press Release** → Posted on ministry website, emailed to newsrooms, published on social media.
- **Other Communication** → Kenya Gazette, official websites, procurement portals.

DECISION TREE

Is the public being told to DO something (action/advisory)? Yes = PSA

→ Yes = PSA

→ No = Next Question

Is it describing government activities/decisions/events for media? Yes = Press Release

→ Yes = Press Release

→ No = Next Question

Is it codifying/announcing official/legal information (laws, tenders, appointments)? Yes = Other Communication

→ Yes = Other Communication

→ No = Recheck (might be policy brief, speech, or misc.)
